Winter Watch Service Contract

For

November 1, 2021 to May 1, 2022

I have read and understand about the Winter Watch Service Program provided by All American Dock Pros. I understand that the cost Winter Watch Service, \$200.00, includes periodic monitoring of my dock and a free pre-winter season inspection, but does not cover any repair costs. I further understand that if I sign up on behalf of my dock partner(s), I will be responsible for paying any outstanding charges in the event that one or all of the partners do not pay. I agree that the Winter Watch Service will continue unless at such time I notify All American Dock Pros, LLC, in writing, to cancel it, without any refund issued. If the dock is sold, it is my responsibility to notify All American Dock Pros, LLC, in writing, of the change of ownership. All American Dock Pros, LLC will make every effort to take care of your dock; however, due to the high volume of docks on the Winter Watch Service, they will not take any responsibility for any damage to my dock, boat, or neighboring docks while providing the Winter Watch Service. I further understand that All American Dock Pros may need to move my dock, as the situation warrants, without my authorization. I understand that I am responsible for the cost of all movements of my dock whether or not All American Dock Pros notified me first.

Please sign me up for the 2021/2022 Winter Watch Service, which will commence upon November 1, 2021 or upon receipt of this contract by All American Dock Pros, LLC, if it is after November 1, 2021. All pre-season inspections are scheduled on a first come, first served basis. Return this contract as soon as possible to insure that your dock is inspected early and any required repair work can be completed before the up-coming winter season.
